Opportunities for greater involvement (optional)

Your responses in this section will help us with our planning.

1. Ongoing chapter activities:

I would be interested in exploring further involvement as

- A member of the chapter's governing board (entails attending quarterly planning meetings; other responsibilities on a voluntary basis)
- Editor or contributor to the chapter's newsletter
- Chapter correspondent for WNBA National's newsletter, *The Bookwoman*
- Web mistress or assistant for the chapter's postings on the National web site
- Email coordinator, membership chair, publicity chair, or corresponding secretary
- A member of the support committee for the Judy Lopez Awards for Children's Literature (you could choose among a wide range of helpful tasks)

2. Email networking:
I would like to be part of an informal WNBA/LA network that would enable me to learn/tell about book-related or other worthwhile events and see who else from our group might like to go. My interests are:
- General fiction and non-fiction (author signings, lectures, etc.)
 - Children’s literature
 - General cultural events (museum exhibits, concerts, etc.)
 - Movies
 - Other: _____

3. I belong to the following literary or cultural groups. I would be willing to pass along news of their events. I could share news of appropriate WNBA events with them.
- _____
- _____

4. Program and small-group meetings:
I would like to suggest the following topics for general programs or workshops:
- _____
- _____

I am willing to be a program speaker or workshop facilitator on the following topics:

I am interested in attending smaller, more frequent meetings organized as

- a book discussion group
- a writing workshop

5. Venues
- I would consider hosting a members-only event in my home.
 - Through my employment or my membership in other groups, I can suggest a free or low cost meeting room or a pleasant, reasonably priced restaurant where WNBA could hold an event open to the general, book-loving public. Call me about it.
 - I know a library, museum, bookseller, etc. that could provide both a program and a venue (both of which could be combined as a tour) for a special meeting.
